

§ 375.12

§ 375.12 How do I submit an offer?

As a submitter, you must submit an offer in a tender to the Treasury via the Federal Reserve Bank of New York. You must submit any tenders in an approved format and the Bank must receive them prior to the closing time stated in the redemption operation announcement. If we do not receive your tenders timely, we will reject them. Your tenders are binding on you after the closing time specified in the redemption operation announcement. You are responsible for ensuring that we receive your tenders on time. We will not be responsible in any way for any unauthorized tender submissions or for any delays, errors, or omissions in submitting tenders.

§ 375.13 What requirements apply to offers?

(a) *General.* You may only submit competitive offers (specifying a price). All offers must state the security description, par amount, and price of each security offered. All offers must equal or exceed the minimum offer amount, and be in the multiple, stated in the redemption operation announcement.

(b) *Price format.* You must express offered prices in terms of price per \$100 of par with three decimals, *e.g.*, 102.172. The first two decimals represent fractional 32nds of a dollar. The third decimal represents eighths of a 32nd of a dollar, and must be a 0, 2, 4, or 6. For example, an offer of 102.172 means one hundred two and seventeen 32nds and two eighths of a 32nd, or in decimals, 102.5390625.

(c) *Maximum number of offers.* There is no limit on the number of offers you may make for each eligible security. There is also no limit on the number of eligible securities you may offer.

§ 375.14 Do I have to make any certifications?

By submitting a tender offering a security or securities for sale, you certify that you are in compliance with this part and the redemption operation announcement.

31 CFR Ch. II (7–1–05 Edition)

§ 375.15 Who is responsible for delivering securities?

As a submitter, you are responsible for delivering any securities we accept in the redemption operation, including any securities for which you submitted offers on behalf of others. (See § 375.23.) All securities you deliver must be free and clear of all liens, charges, claims, and any other restrictions.

Subpart C—Determination of Redemption Operation Results; Settlement

§ 375.20 When will the Treasury decide on which offers to accept?

We will determine which offers or portions of offers to accept after the closing time for receipt of tenders. All such determinations will be final.

§ 375.21 When and how will the Treasury announce the redemption operation results?

We will make an official announcement of the redemption operation results through a press release. For each security we redeem, the press release will include such information as the amounts offered and accepted, the highest price accepted, and the remaining privately held amount outstanding.

§ 375.22 Will I receive confirmations and, if I am submitting offers for others, do I have to provide confirmations?

(a) *Confirmations to submitters.* We will provide a confirmation of acceptance or rejection in the form of a results message to submitters of offers by the close of the business day of the redemption operation.

(b) *Confirmation of customer offers.* If you submit a successful offer for a customer, you are responsible for notifying that customer of the impending redemption.

§ 375.23 How does the securities delivery process work?

If any of the offers you submitted are accepted, you must transfer the correct book-entry Treasury securities in the correct par amount against the correct settlement amount on the settlement date. You must deliver the securities

This could include barring the person or entity from participating in future redemption operations under this part and future auctions under 31 CFR part 356. We also may refer the matter to an appropriate regulatory agency.
